

## QUESTIONS OF THE WEEK

**Adults:** The parable of the Fig Tree tells us that God works in our lives to enable us to aid in the establishment of The Kingdom of God on Earth. Sometimes a plant needs cutting back, trimming, and other things that seem like they will harm it. But instead it flourishes and blooms. How can you see this in your life?

**Children:** Jesus tells us that bad things can happen to good people, but not to give up on faith because of it. Have you had to do that?
